

the h--- is everybody this morning. Have you found any s-- of a b---- to buy my place?" In Bradley's opinion she is erratic, malicious and a "shady" character and her statements should be carefully scrutinized before being accepted. D.T. 9/2/26

Interviewed John Marten Gould, the boy about 12 yrs old who is referred to in report of 8/25/26 as John Marten. He again told me he had written a letter at request of his mother -- Anna M. Gould. Mrs. Gould conducts a rooming house at 126 East Front St., Trenton. Sunday evening following the finding of the bodies of Dr. Hall and Mrs. Mills a man came to her house and rented a room, paying one dollar. He went out the following morning and she noticed a different man had occupied the room during the night. He was roughly dressed and appeared to have been doped. He remained in bed until quite late in the morning. When he arose she remarked something to him about the murder. He replied: "a mistake had been made" or "they got the wrong parties." GTP9/3/26

Geo. Anton, Jr., Manager Armour Company, sold Mrs. Gibson fowler hog serum to prevent colera and extended her credit to the amount of \$80, which she never paid. Whenever they tried to collect she had some pitiful story to tell. About a week
